

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. BREVET COMMISSIONS ISSUED BY THE GOVERNOR TO ENLISTED MEN OF THIS REGIMENT.

RANK.	Name.	Brevet rank.
Sergeant	George A. Capron.....	Second Lieutenant.

Eighty-first Regiment.

This regiment was organized at Albany, N. Y., to serve three years. The companies of which it was composed were raised in the counties of Oswego and Oneida. It was mustered into the service of the United States from December 20, 1861, to February 20, 1862. On the expiration of its term of service the original members (except veterans) were mustered out, and the organization, composed of veterans and recruits, retained in service until August 31, 1865, when it was mustered out in accordance with orders from the War Department.

Eighty-sixth Regiment.

This regiment was organized at Elmira, N. Y., to serve three years. The companies of which it was composed were raised in the counties of Steuben, Chemung and Onondaga. It was mustered into the service of the United States from September 5 to November 25, 1861. On the expiration of its term of service the original members (except veterans) were mustered out, and the regiment, composed of veterans and recruits, retained in service until June 27, 1865, when it was mustered out in accordance with orders from the War Department.

Enlisted men of this regiment to whom Medals of Honor have been awarded by the Secretary of War:

Sergeant LESTER ARCHER.

Ninety-seventh Regiment.

This regiment was organized at Booneville, N. Y., to serve three years. The companies of which it was composed, were raised in the counties of Oneida, Herkimer, Lewis, Fulton and Hamilton. It was mustered into the service of the United States from September, 1861, to February, 1862. On the expiration of its term of service, the original members (except veterans) were mustered out, and the regiment, composed of veterans and recruits, retained in service until July 18, 1865, when it was mustered out in accordance with orders from the War Department.

RANK.	Name.	Brevet rank.
Private.....	Thomas E. Howe.....	Second Lieutenant.

One Hundred and Third Regiment.

This regiment was organized at New York city to serve three years. The companies of which it was composed were raised in the counties of New York and Chemung. It was mustered into the service of the United States from November, 1861, to March, 1862. On the expiration of its term of service the original members (except veterans) were mustered out, and the veterans and recruits consolidated into a battalion of three companies, which remained in service until December 7, 1865, when mustered out in accordance with orders from the War Department.

THIS REGIMENT.

RANK.	Name.	Brevet rank.
Private.....	Thomas E. Howe.....	Second Lieutenant.

One Hundred and Third Regiment.

This regiment was organized at New York city to serve three years. The companies of which it was composed were raised in the counties of New York and Chemung. It was mustered into the service of the United States from November, 1861, to March, 1862. On the expiration of its term of service the original members (except veterans) were mustered out, and the veterans and recruits consolidated into a battalion of three companies, which remained in service until December 7, 1865, when mustered out in accordance with orders from the War Department.

One Hundred and Seventy-sixth Regiment.

This regiment was originally intended to be a three years' organization, but, not succeeding in this, it was filled up with recruits enlisted for nine months, and mustered into the service of the United States at New York city from November 20, 1862, to January 10, 1863. The companies of which it was composed were raised in the State at large. The nine months' men were mustered out in November, 1863, and the regiment, which was filled up with drafted men and substitutes, was finally mustered out April 27, 1866, in accordance with orders from the War Department.
